THE FIRST STEP TOWARD PACKAGING EVOLUTION.

Try to imagine a screw, ready to transform itself in a car to lead you anywhere you want: this is EvoPac Darwin. EvoPac Darwin it's our premium entry level machine. It features a unique telescopic-mast solution, an high-tech juice that raises up together with the carriage in order to save a lot of space (just 1381 mm height when turned off), to wrap smoother as ever and to give more value for your time! Once ordered, the machine reaches your wrapping area already fully assembled and ready to work: just plug and wrap! Fitted with high quality components, EvoPac Darwin can be tailored as you want to meet your requirements. That's the way to wrap.
